

Special Wording

Illuminated Signage

Features

- The same sturdy construction and electrical design used in our exit signs, is used to produce our custom-worded, illuminated signage
- Sign bodies - steel, extruded and die-cast aluminum, weatherproof, flame-retardant polycarbonate, high impact thermoplastic, recessed housing
- Also available with self-powered canopy and with emergency lamps
- Custom wording – any style of lettering, any language, any alphabet, any special characters
- Graphics – logos, standard symbols, custom art
- Colour choices – sign bodies, message, faceplate panel
- Illumination – LED (light-emitting diodes) – other light sources available. Consult factory.
- White-out, black-out and split picture options

Typical Specification

Custom-worded, illuminated signage is available using the same sturdy construction and electrical design as Lumacell exit signage.

A wide range of sign body options and colour choices is available to suit any application. Contact your local Lumacell sales representative to discuss your specific requirements.
